

# Summer Math

Getting Ready for Kindergarten

## July

Problems of the Week

Week One	Write down everything you can about the number 8.
Week Two	What can you find that is lighter than a pen?
Week Three	What are some things you do in the morning and some things you do in the afternoon?
Week Four	What are some things in your room that you can go under?

## August

Problems of the Week

Week One	There are four chickens in Mrs. Farmer's pen. How many chickens did she once have, and what happened to them?
Week Two	What are three things that a piece of paper would completely cover?
Week Three	What is longer than two of your foot lengths?
Week Four	I can see a boxed-shaped object in this room. What can I see?
